## Course overview

A fun and engaging course helping learners to learn basic British Sign Language (BSL) signs and to put these together to music, following the rules of Sign Supported English (SSE). Learners will learn the differences between BSL and SSE, the lyrics and signs to a festive song. The sessions will be fun and engaging, help and support will be given by the tutor to assist learners at every step on this course.

## Course description

This course will assist learners to learn new BSL vocabulary in a fun and interactive approach to learning. Using a festive song learners will engage in learning the lyrics to the song, followed by the BSL signs included and featured in the song. The course will help learners to develop an understanding of the fundamental differences between BSL as a language and Sign Supported English. This course will help learners to see the benefits of SSE for learners that speak English as a first language but have become deaf or hearing impaired. This course may also be useful for friends and family members to become more inclusive when celebrating Christmas through song.
