Beginners

Course overview

Learn important skills and knowledge to help you support autistic people to live healthy and fulfilling lives. Whether you work in an education or support environment, or have autistic family or friends, this autism course can help you improve the support you give to autistic people. This level 2 autism course is useful for any job role where an understanding of autistic people's needs is necessary. Autism level 2 courses build on your existing understanding. You will study definitions and nuances of autism. Understand the spectrum of diagnoses of autism. Learn how to communicate effectively with autistic people and how to support positive behaviour.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
