Pre-Entry

## **Course overview**

Feeling unsure about basic math? This beginner-friendly course provides a solid foundation in essential numeracy skills. Gain confidence with everyday calculations, refresh your memory on fractions and decimals, and build a strong foundation for future learning. This course is your stepping stone to a more confident and numerate you!

## **Course description**

Boost Your Confidence and Master the Basics with Pre-Entry Maths

Do you struggle with everyday calculations? Perhaps math concepts learned years ago seem blurry? This Pre-Entry Maths course is designed to bridge that gap and get you back on track.

We'll cover a range of fundamental topics, including:

**Number Operations:** Master addition, subtraction, multiplication, and division with confidence.

**Understanding Fractions and Decimals:** Learn how to work with fractions and decimals in everyday situations.

**Problem-Solving Strategies:** Develop practical approaches to tackle real-world math problems.

**Building Confidence:** Gain the skills and knowledge to approach math with greater ease and a positive attitude.

**Building a Strong Foundation:** Prepare for future learning in math, whether it's for personal growth or pursuing further education.

This interactive course utilizes clear explanations, step-by-step tutorials, real-world examples, and practical exercises. Whether you're looking for personal growth or aiming to improve your job prospects, this course empowers you to embrace math with confidence!

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
