

## Course details

### Course title

Confidence to Learn: Get ready for Maths Level 1

### Course code

Q00017615

### Course date

Start: 24/01/25

End: 11/04/25

### Number of classes

12 sessions

### Timetable

Fri 24th Jan, 10:00 to 15:00

Fri 31st Jan, 10:00 to 15:00

Fri 7th Feb, 10:00 to 15:00

Fri 14th Feb, 10:00 to 15:00

Fri 21st Feb, 10:00 to 15:00

Fri 28th Feb, 10:00 to 15:00

Fri 7th Mar, 10:00 to 15:00

Fri 14th Mar, 10:00 to 15:00

Fri 21st Mar, 10:00 to 15:00

Fri 28th Mar, 10:00 to 15:00

Fri 4th Apr, 10:00 to 15:00

Fri 11th Apr, 10:00 to 15:00

### Tutor

Humera Mehrban

### Fee range

Free to £115.50

## How you'll learn

You'll join a small group of fellow learners for classes at the venue indicated. Some materials may be provided in our virtual learning environment.

## Course overview

This course is designed to prepare learners for the Functional Skills Level 1 Maths qualification. It covers essential mathematical concepts and practical problem-solving skills needed for everyday situations. Topics include basic arithmetic, fractions, decimals, percentages, simple algebra, geometry, and data handling. Through interactive lessons, real-life examples, and practice exercises, students will build confidence and competence in using maths effectively. Ideal for those seeking to enhance their employment prospects or further their education, this course offers comprehensive support to help students achieve success in their Level 1 Maths assessments. This course is funded by the West Midlands Combined Authority. This course is held at the Dolphin Women's Centre and so is only for female learners.

## Course description

This face-to-face course is designed to prepare learners for the Functional Skills Level 1 Maths qualification, equipping them with the fundamental mathematical skills needed for both everyday life and the workplace. The course covers a broad range of essential topics, including arithmetic operations, fractions, decimals, percentages, simple algebra and data handling.

Throughout the course, students will engage in interactive lessons that emphasise practical problem-solving skills and real-life applications of maths. Each topic is presented in a clear, understandable manner, ensuring that learners can grasp the concepts and apply them confidently. Hands-on activities and group work encourage collaborative learning, while individualised support ensures that each student's unique needs are met.

Our experienced instructors provide personalized guidance and feedback, fostering a supportive learning environment. Regular assessments and practice exercises help track progress and identify areas for improvement.

ensuring that students are well-prepared for their Level 1 Maths assessments.

Ideal for individuals aiming to enhance their mathematical skills for better employment opportunities or further education, this course offers a comprehensive and supportive pathway to success. Join us to build your confidence and competence in maths, and take a significant step towards achieving your educational and professional goals. This course is funded by the West Midlands Combined Authority.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
