Entry Level

Course overview

This course provides a comprehensive introduction to the world of textiles, covering the fundamental techniques and creative possibilities of working with various fabrics and fibres. Participants will explore different methods of textile creation, including weaving, knitting, dyeing, and printing. Through hands-on projects, demonstrations, and guided exercises, students will develop their skills and artistic expression in textile arts. Emphasis will be placed on understanding the properties of different materials, mastering essential techniques, and fostering creativity in design and execution.

Course description

This course provides a comprehensive introduction to the world of textiles, covering the fundamental techniques and creative possibilities of working with various fabrics and fibres and understanding the properties of the fibres and textiles. Participants will explore different methods of textile creation, including weaving, knitting, dyeing, and printing. Through hands-on projects, demonstrations, and guided exercises, students will develop their skills and artistic expression in textile arts. Emphasis will be placed on understanding the properties of different materials, mastering essential techniques, and fostering creativity in design and execution. Participants will develop skills in creating both functional and decorative textile pieces of work and compile a portfolio of completed textile projects showcasing growth and development.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
