## **Course overview**

Develop your English speaking and listening skills with our Pre-Entry ESOL: Confidence in English course. Focus on practical communication needed for everyday situations. Ideal for beginners looking to improve their basic English proficiency.

## **Course description**

Pre-Entry ESOL: Confidence in English is designed to help non-native English speakers develop basic speaking and listening skills necessary for everyday communication. This course focuses on practical vocabulary and phrases used in common social interactions, such as greetings, asking for directions, and making small talk. Participants will engage in interactive activities and role-plays that encourage real-life practice and build confidence in their ability to communicate in English. The course includes lessons on pronunciation, intonation, and listening comprehension, ensuring that students can understand and respond appropriately in various contexts. By the end of the course, participants will have improved their basic English proficiency and be better prepared for further ESOL education. This course is ideal for beginners looking to develop their speaking and listening skills and gain confidence in their ability to communicate in English.
