1

## **Course overview**

Prepare for your driving theory test with our Level 1 ESOL: ESOL Driving Theory course. Learn the rules of the road, traffic signs, and essential safety information needed to pass the test. Ideal for non-native speakers seeking to improve their English and obtain their driving licence.

## **Course description**

Level 1 ESOL: ESOL Driving Theory is designed to help non-native English speakers prepare for the driving theory test while improving their language skills. This course covers all the critical aspects of the driving theory exam, including traffic signs, road rules, hazard perception, and safety regulations. Participants will learn about the format of the test and the types of questions they can expect, ensuring they are well-prepared on test day. The course includes interactive lessons, practice tests, and group discussions to reinforce learning and build confidence. Emphasis is placed on improving English language proficiency, ensuring participants can understand and respond to the questions accurately. By the end of the course, students will have the skills and confidence needed to pass the driving theory test and progress towards obtaining their driving licence. This course is ideal for non-native speakers looking to enhance their English skills and achieve their goal of obtaining a driving licence.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
