Course overview

Begin your career in the care sector with our Introduction to Working in Care course. Learn essential skills and knowledge required to provide high-quality care to clients. Ideal for individuals considering a career in care or looking to enhance their caregiving skills.

Course description

Introduction to Working in Care is designed for individuals interested in pursuing a career in the care sector. This course provides an overview of the role and responsibilities of a care worker, including understanding client needs, providing personal care, and maintaining health and safety standards. Participants will learn essential skills such as effective communication, empathy, and practical caregiving techniques. The course covers key topics such as safeguarding, infection control, and promoting independence. Through a combination of lectures, discussions, and practical activities, participants will gain a comprehensive understanding of the care worker role and its impact on client well-being. By the end of the course, students will be well-prepared to take the next steps towards a career in care, whether through further training or direct employment. This course is ideal for anyone looking to make a positive difference in the lives of others and contribute to the care sector.
