## **Course overview**

Enhance your digital study skills with our comprehensive course. Learn effective strategies for online learning, research, and digital organisation. Ideal for students and professionals looking to improve their digital literacy.

## **Course description**

Professional Development: Digital Study Skills is designed to help individuals develop the digital literacy skills needed for effective online learning and research. This course covers key strategies for organising digital study materials, conducting online research, and using digital tools for academic and professional purposes. Participants will learn how to manage their time and workload, create effective digital notes, and use online resources to enhance their learning. The course includes practical tips for staying organised and productive in a digital environment, as well as techniques for improving digital communication and collaboration. Through interactive activities and guided practice, participants will build the confidence and competence needed to succeed in online learning and digital workspaces. By the end of the course, students will have a toolkit of digital study skills that can be applied to any learning situation, enhancing their ability to achieve their educational and professional goals. This course is ideal for students, professionals, and anyone looking to improve their digital literacy and maximise their learning potential.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
