Course overview

Develop your English speaking skills with our Pre-Entry English: Speaking course. Focus on practical communication needed for everyday situations. Ideal for beginners looking to improve their basic English proficiency.

Course description

Pre-Entry English: Speaking is designed to help non-native English speakers develop basic speaking skills necessary for everyday communication. This course focuses on practical vocabulary and phrases used in common social interactions, such as greetings, asking for directions, and making small talk. Participants will engage in interactive activities and role-plays that encourage real-life practice and build confidence in their ability to communicate in English. The course includes lessons on pronunciation, intonation, and listening comprehension, ensuring that students can understand and respond appropriately in various contexts. By the end of the course, participants will have improved their basic English proficiency and be better prepared for further English education. This course is ideal for beginners looking to develop

their speaking skills and gain confidence in their ability to communicate in English.
