Beginners

Course overview

Explore the world of abstract art with our Art Practical: Abstract Art course. Learn techniques for creating expressive, non-representational artworks using various mediums. Ideal for individuals looking to experiment with abstract styles and develop their artistic voice.

Course description

Art Practical: Abstract Art is designed for individuals interested in exploring the creative possibilities of abstract art. This course covers essential techniques for creating expressive, non-representational artworks using various mediums, such as acrylics, watercolours, and mixed media. Participants will learn how to use colour, form, and texture to convey emotions and ideas without relying on realistic imagery. The course includes hands-on projects and guided instruction, allowing students to experiment with different abstract styles and develop their own artistic voice. Emphasis is placed on fostering creativity and encouraging individual expression in a supportive environment. By the end of the course, participants will have completed several abstract art projects and gained the confidence to continue exploring this dynamic art form. This course is ideal for individuals looking to experiment with abstract styles and develop their artistic voice.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
