Course overview

Explore the creative possibilities of papercrafts with our Introduction to Papercrafts course. Learn techniques for creating beautiful and decorative paper items. Ideal for beginners looking to develop their papercrafting skills.

Course description

Craft: Create, Craft and Decorate - An Introduction to Papercrafts is designed for individuals interested in exploring the creative possibilities of papercrafts. This course covers essential techniques for creating decorative paper items, including cutting, folding, and layering. Participants will learn how to use different types of paper and tools to create cards, decorations, and other papercraft projects. The course includes hands-on projects and guided instruction, allowing students to develop their skills and gain confidence in their papercrafting abilities. Emphasis is placed on fostering creativity and encouraging individual expression in a supportive environment. By the end of the course, participants will have completed several papercraft projects and gained the confidence to continue exploring this versatile craft form. This course is ideal for beginners looking to develop their papercrafting skills and create beautiful paper items.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education

experts during your enrolment journey and we will do all we can to make sure you have optimal access.
