## Course overview

Continue developing your artistic skills with our Art Practical: Improvers course. Explore advanced techniques in drawing and painting to create detailed and expressive artworks. Ideal for individuals with basic art knowledge looking to enhance their abilities.

## Course description

Art Practical: Improvers is designed for individuals with basic art knowledge who want to continue developing their skills in drawing and painting. This course covers advanced techniques, including perspective, shading, colour theory, and composition. Participants will learn how to create detailed and expressive artworks, using a variety of mediums such as pencil, charcoal, acrylics, and watercolours. The course includes hands-on practice, guided instruction, and opportunities for individual feedback, allowing students to refine their techniques and develop their artistic style. Emphasis is placed on fostering creativity and encouraging individual expression in a supportive environment. By the end of the course, participants will have completed several art projects and gained the confidence to continue exploring and developing their artistic abilities. This course is ideal for individuals looking to enhance their art skills and create more detailed and expressive works.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
