Southall  
UB2 5DS

## Level of study

Beginners

## Course overview

Master the basics of sewing with our comprehensive Sewing 1 course. Learn essential techniques and create your own projects. Ideal for beginners looking to develop their sewing skills.

## Course description

Textiles and Fashion: Sewing 1 is designed for individuals with little or no experience in sewing who want to learn the basics of creating their own projects. This course covers essential sewing techniques, from basic stitches to garment construction. Participants will learn how to use a sewing machine, understand different types of fabrics, and create simple sewing projects such as cushions, bags, and clothing. The course includes hands-on practice and guided instruction, allowing students to develop their skills and gain confidence in their sewing abilities. Emphasis is placed on creating a supportive and engaging environment where participants can explore their creativity and develop their sewing skills at their own pace. By the end of the course, students will have completed several sewing projects and be well-equipped to continue exploring the art of sewing. This course is ideal for beginners looking to develop their sewing skills and create their own handmade items.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
