Course overview

Advance your sewing skills with our Craft: Sewing 2 course. Learn intermediate techniques and create more complex projects. Ideal for individuals with basic sewing experience looking to

enhance their skills.

Course description

Craft: Sewing 2 is designed for individuals with some experience in sewing who want to advance their skills and tackle more complex projects. This course covers intermediate sewing techniques, including garment construction, pattern reading, and advanced stitching methods. Participants will learn how to use different types of fabrics, adjust patterns to fit, and finish their projects with professional-quality details. The course includes hands-on practice and guided instruction, allowing students to develop their skills and gain confidence in their sewing abilities. Emphasis is placed on fostering creativity and encouraging individual expression through sewing. By the end of the course, participants will have completed several intermediate-level sewing projects and be well-equipped to continue exploring the art of sewing. This course is ideal for individuals looking to take their sewing skills to the next level and create more intricate and detailed handmade items.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
