Course overview

Continue improving your English skills with our Personal Development - Developing English Skills for Life & Work in the UK - Next Steps course. Build on the foundation of basic English skills and focus on more advanced language use for everyday life and work. Ideal for individuals who have completed basic English courses and are ready to take their skills to the next level.

Course description

Personal Development - Developing English Skills for Life & Work in the UK - Next Steps is designed to help individuals continue improving their English language skills for everyday life and work. This course builds on the foundation of basic English skills, focusing on more advanced language use in practical contexts. Participants will learn about complex sentence structures, expanding vocabulary, and effective communication strategies for work and social situations. The course includes practical exercises, interactive activities, and group discussions that encourage active learning and real-life application of English skills. By the end of the course, participants will have the confidence and ability to use English effectively in a variety of everyday and work-related contexts. This course is ideal for individuals who have completed basic English courses and are ready to advance their language skills for life and work in the UK.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
