Course overview

Build your confidence in using English with our Pre-Entry ESOL: Confidence in English course. Focus on developing practical communication skills for everyday situations. Ideal for individuals with little or no prior English knowledge looking to gain confidence in speaking and understanding English.

Course description

Pre-Entry ESOL: Confidence in English is designed to help individuals with little or no prior knowledge of English build their confidence in speaking and understanding the language. This course focuses on developing practical communication skills that are essential for everyday situations, such as shopping, using public transport, and interacting with others in the community. Participants will engage in interactive activities, role-plays, and group discussions that encourage real-life practice and build confidence in using English. The course includes lessons on pronunciation, listening comprehension, and basic grammar, ensuring that students can understand and respond appropriately in various contexts. By the end of the course, participants will have improved their confidence in using English and be better prepared to advance to higher levels of ESOL education. This course is ideal for individuals looking to gain confidence in using English for everyday communication.
