Course overview

Develop essential English skills for the UK job market with our ESOL: Preparing for Work in the UK course. Focus on practical communication and job readiness skills. Ideal for non-native

speakers looking to improve their employability in the UK.

Course description

ESOL: Preparing for Work in the UK is designed to help non-native English speakers improve their language skills for the UK job market. This course covers essential aspects of English communication, including speaking, listening, reading, and writing, with a focus on job readiness. Participants will learn practical vocabulary and phrases used in job applications, interviews, and workplace interactions. The course includes interactive activities, role-plays, and real-life scenarios that encourage active participation and real-life practice. By the end of the course, participants will have a solid foundation in English language skills and be well-prepared to seek employment in the UK. This course is ideal for individuals looking to improve their English proficiency and enhance their employability in the UK job market.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
