Course overview

Learn the essentials of starting a small business with our Start Your Own Small Business course. Understand the basics of business planning, finance, and marketing. Ideal for aspiring entrepreneurs looking to turn their business ideas into reality.

Course description

Start Your Own Small Business is designed to help aspiring entrepreneurs take the first steps towards starting their own business. This course covers essential topics such as business planning, finance, marketing, and legal considerations. Participants will learn how to develop a business plan, secure funding, market their products or services, and navigate the legal requirements of starting a business. The course includes practical exercises, case studies, and expert guidance to help students apply their learning in real-world scenarios. By the end of the course, participants will have a comprehensive understanding of the steps needed to start a small business and be well-prepared to turn their business ideas into reality. This course is ideal for anyone looking to start their own business and achieve entrepreneurial success.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
