Course overview

Ensure the safety and well-being of students with our Safeguarding Support in Schools course. Learn key principles and practices for safeguarding children in educational settings. Ideal for school staff and volunteers committed to child protection.

Course description

Safeguarding Support in Schools is designed to provide school staff and volunteers with the knowledge and skills necessary to safeguard children in educational settings. This course covers essential principles and practices of child protection, including identifying signs of abuse and neglect, understanding safeguarding policies, and knowing how to respond to safeguarding concerns. Participants will learn about their roles and responsibilities in maintaining a safe environment for students, as well as the legal frameworks that govern safeguarding practices. The course includes practical scenarios and discussions to help students apply their learning in real-world contexts. By the end of the course, participants will have a thorough understanding of safeguarding principles and be equipped to support the safety and well-being of children in schools. This course is ideal for anyone working in educational settings who is committed to ensuring the protection and welfare of students.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
