Course overview

Learn the basics of outdoor cooking with our Healthy Living: Cooking Using a Fire course. Discover techniques for preparing and cooking meals over an open flame. Ideal for outdoor enthusiasts and anyone interested in learning new cooking skills.

Course description

Healthy Living: Cooking Using a Fire is designed to teach individuals the basics of outdoor cooking. This course covers essential techniques for preparing and cooking meals over an open flame, including fire safety, choosing the right cooking tools, and selecting ingredients. Participants will learn how to cook a variety of dishes, from simple snacks to full meals, using different methods such as grilling, roasting, and boiling. The course includes practical demonstrations, hands-on practice, and tips for making outdoor cooking enjoyable and successful. By the end of the course, participants will have the skills and confidence needed to cook delicious meals using a fire. This course is ideal for outdoor enthusiasts and anyone interested in learning new cooking skills.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
