Course overview

Learn how to manage your finances with our Personal Development: Budgeting course. Develop essential budgeting skills and learn how to plan and track your expenses. Ideal for individuals looking to improve their financial literacy and achieve financial stability.

Course description

Personal Development: Budgeting is designed to help individuals develop essential budgeting skills and improve their financial literacy. This course covers key aspects of budgeting, including setting financial goals, creating a budget, tracking expenses, and managing debt. Participants will learn practical techniques for planning and controlling their finances, ensuring they can achieve their financial goals. The course includes interactive activities, real-life examples, and expert guidance to support students in developing their budgeting skills. By the end of the course, participants will have the knowledge and tools needed to create and maintain a budget, manage their finances effectively, and achieve financial stability. This course is ideal for anyone looking to improve their financial literacy and take control of their finances.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
