Course overview

Support your child's education with our Support Your Child with Maths and English course. Learn effective strategies and techniques to assist your child with their homework. Ideal for parents and carers looking to enhance their child's academic success.

Course description

Schools, Parenting and Child Development: Support Your Child with Maths and English is designed to help parents and carers support their child's education. This course covers key strategies and techniques for assisting children with their homework, including understanding the curriculum, effective study habits, and practical tips for exam preparation. Participants will learn how to create a positive learning environment, use educational resources, and build their child's confidence in their academic abilities. The course includes interactive activities, discussions, and practical tips for helping children with their homework and developing their skills in maths and English. By the end of the course, participants will have a toolkit of strategies and techniques to support their child's education and help them succeed in their exams. This course is ideal for parents and carers looking to enhance their child's academic success.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
