Intermediate

## **Course overview**

Enhance your clay crafting skills with our Craft: Art of Clay for Improvers course. Learn advanced techniques for working with clay and creating intricate designs. Ideal for individuals with basic clay crafting knowledge looking to refine their skills.

## **Course description**

Craft: Art of Clay for Improvers is designed for individuals with basic knowledge of clay crafting who want to enhance their skills. This course covers advanced techniques for working with clay, including sculpting, glazing, and creating intricate designs. Participants will learn about different clay materials, tools, and methods used in advanced clay crafting. The course includes hands-on projects, allowing students to practice their skills and develop their own artistic style. Emphasis is placed on fostering creativity and individual expression in a supportive environment. By the end of the course, participants will have completed several advanced clay projects and gained the confidence to continue exploring this art form. This course is ideal for individuals looking to refine their clay crafting skills and create beautiful clay artworks.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
