## **Course overview**

Explore advanced papercraft techniques with our Craft: Create, Craft and Decorate - Further Papercrafts course. Learn how to create intricate and beautiful paper crafts. Ideal for experienced crafters looking to enhance their skills.

## **Course description**

Craft: Create, Craft and Decorate - Further Papercrafts is designed for experienced crafters who want to explore advanced papercraft techniques. This course covers a range of advanced papercraft methods, including detailed card making, scrapbooking, and 3D paper art. Participants will learn how to use various tools and materials to create intricate and beautiful paper crafts. The course includes hands-on projects, allowing students to practice their skills and develop their own creative style. Emphasis is placed on fostering creativity and individual expression in a supportive environment. By the end of the course, participants will have completed several advanced papercraft projects and gained the confidence to continue exploring this versatile craft. This course is ideal for experienced crafters looking to enhance their papercraft skills and create stunning paper art.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment

journey and we will do all we can to make sure you have optimal access.
