## **Course overview**

Build your confidence in speaking and understanding English with our Pre-Entry ESOL: Confidence in English course. Ideal for beginners looking to improve their basic English skills in a supportive environment.

## **Course description**

Pre-Entry ESOL: Confidence in English is designed to help beginners develop their basic English skills in a supportive and encouraging environment. This course covers essential language skills, including speaking, listening, reading, and writing. Participants will engage in a variety of activities that build their confidence in using English for everyday communication, such as role-playing, group discussions, and interactive exercises. The course focuses on practical language use, helping participants to understand and respond to simple instructions, ask and answer basic questions, and engage in short conversations. By the end of the course, participants will have improved their ability to communicate in English and feel more confident in using the language in everyday situations. This course is ideal for beginners who want to start building their English skills and gain confidence in their ability to use the language.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
