## **Course overview**

Explore contemporary art with our Art Appreciation: Art in the 21st Century course. Learn about the artists, movements, and themes that define the art of today. Ideal for art enthusiasts and students of contemporary art.

## **Course description**

Art Appreciation: Art in the 21st Century is designed to provide participants with an in-depth understanding of contemporary art. This course covers key artists, movements, and themes that have emerged in the 21st century, exploring how they reflect and challenge the social, political, and cultural landscape of our time. Participants will learn how to analyze and interpret contemporary artworks, considering their form, content, and context. The course includes lectures, discussions, and guided visits to galleries or exhibitions, offering participants the opportunity to engage directly with contemporary art. By the end of the course, participants will have a deeper appreciation for the art of today and the confidence to explore contemporary art independently. This course is ideal for art enthusiasts, students of art history, and anyone interested in understanding the art of the 21st century.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education

experts during your enrolment journey and we will do all we can to make sure you have optimal access.
