Course overview

Welcome to "Introduction to Gel Nails & Nail Art," a comprehensive beginner-level course designed to equip you with the fundamental skills and knowledge to master the art of gel nails and creative nail designs. Whether you aspire to become a professional nail technician or want to explore nail art as a hobby, this course offers a step-by-step guide to the essential techniques, tools, and trends in the industry.

Course description

Unlock your creativity and step into the world of professional nail artistry with our "Introduction to Gel Nails & Nail Art" course. This beginner-friendly course is designed to provide you with the foundational skills and techniques needed to master gel nail application and create stunning nail art designs.

Throughout this course, you will learn how to prepare and maintain healthy nails, apply gel products with precision, and explore a variety of nail art techniques that will allow you to express your unique style. From basic designs to more advanced trends, this course covers everything you need to know to start your journey as a nail artist or simply enjoy nail art as a creative hobby.

Whether you're aspiring to become a professional nail technician or looking to enhance your personal nail care routine, this course offers a comprehensive introduction to the art and science of gel nails and nail art.

By the end of the course, you'll have the confidence and skills to create beautiful, durable gel nails and eye-catching designs, setting the stage for further exploration in the exciting field of nail art.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
