## Course overview

Explore the art of landscape painting with our Art Practical: Landscape Art course. Learn techniques for capturing the beauty of natural scenes in your artwork. Ideal for artists of all levels looking to develop their skills in landscape art.

## Course description

Art Practical: Landscape Art is designed for individuals who want to develop their skills in landscape painting. This course covers essential techniques for capturing the beauty and complexity of natural scenes, including the use of perspective, light, and color. Participants will learn how to work with various media, such as oils, acrylics, and watercolors, to create dynamic and expressive landscape paintings. The course includes guided practice, expert demonstrations, and personalized feedback to help students refine their artistic style and technique. By the end of the course, participants will have completed several landscape paintings and gained the confidence to continue exploring the genre independently. This course is ideal for artists of all levels who are passionate about landscape art and want to enhance their skills.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
