Online

## **Level of study**

Beginners

## **Course overview**

Discover the art of abstract landscape painting with our Art Practical: Learn to Paint an Abstract Landscape course. Learn techniques for blending abstraction with the natural world to create expressive and dynamic artworks. Ideal for artists looking to explore new styles and techniques.

## **Course description**

Art Practical: Learn to Paint an Abstract Landscape is designed for individuals who want to explore the intersection of abstraction and landscape painting. This course covers techniques for abstracting natural forms, playing with color and texture, and creating compositions that evoke the essence of a landscape while embracing abstraction. Participants will learn how to use various media, such as acrylics, oils, and mixed media, to create expressive and dynamic abstract landscapes. The course includes guided practice, demonstrations, and personalized feedback to help students refine their artistic vision and technique. By the end of the course, participants will have completed several abstract landscape paintings and gained the confidence to continue exploring this style independently. This course is ideal for artists of all levels who want to push the boundaries of traditional landscape painting and explore new creative possibilities.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
