Beginners

Course overview

Unlock your creative potential with our Art Practical: Exploring Drawing course. Learn fundamental drawing techniques and experiment with different styles and mediums. Ideal for beginners and experienced artists looking to refine their skills.

Course description

Art Practical: Exploring Drawing is designed for individuals who want to develop or enhance their drawing skills. This course covers the basics of drawing, including line, form, shading, and perspective, as well as more advanced techniques for creating dynamic compositions. Participants will have the opportunity to experiment with various mediums, such as pencil, charcoal, and ink, while exploring different drawing styles from realistic to abstract. The course includes guided practice, expert demonstrations, and personalized feedback to help students build their confidence and improve their technical abilities. By the end of the course, participants will have created a portfolio of drawings that reflect their growth as artists and their exploration of different techniques and styles. This course is ideal for both beginners and experienced artists who want to deepen their understanding of drawing and expand their creative repertoire.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
