Course overview

Explore the art of papercrafting with our Crafts: Create, Craft and Decorate - Papercraft Skills course. Learn techniques for creating beautiful paper-based decorations and crafts. Ideal for craft enthusiasts and beginners looking to develop their papercrafting skills.

Course description

Crafts: Create, Craft and Decorate - Papercraft Skills is designed for individuals who want to explore the creative possibilities of papercrafting. This course covers a range of papercraft techniques, including cutting, folding, layering, and embellishing. Participants will learn how to create handmade cards, decorations, and other paper-based crafts that can be used for special occasions or everyday enjoyment. The course includes hands-on projects, expert demonstrations, and tips on selecting the right materials and tools for different papercrafting projects. By the end of the course, participants will have developed a variety of papercraft skills and created several unique pieces to take home. This course is ideal for craft enthusiasts and beginners who are interested in exploring the art of papercrafting.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
