Beginners

Course overview

Explore significant events and themes in history with our History course. Gain a deeper understanding of the forces that have shaped our world, from ancient civilizations to modern times. Ideal for history enthusiasts and students looking to expand their knowledge.

Course description

History is designed to provide participants with a broad overview of key events, figures, and themes in world history. This course covers a wide range of topics, from the rise and fall of ancient civilizations to the major political, social, and cultural changes that have defined the modern era. Participants will explore historical sources, engage in discussions, and analyze the causes and consequences of historical events, gaining a deeper understanding of the forces that have shaped our world. The course includes lectures, group activities, and research projects that encourage participants to think critically about history and its relevance to contemporary issues. By the end of the course, participants will have a comprehensive understanding of world history and the ability to engage with historical topics in an informed and thoughtful manner. This course is ideal for history enthusiasts, students, and anyone interested in exploring the past to better understand the present.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
