Level of study

Beginners

Course overview

Start your musical journey with our Beginners at Rhubarb Farm course. Learn the basics of playing an instrument, reading music, and creating simple compositions. Ideal for individuals with little or no musical experience looking to develop their musical skills.

Course description

Music Making: Beginners at Rhubarb Farm is designed for individuals with little or no musical experience who want to learn the basics of playing an instrument and creating music. This course covers fundamental musical concepts, including reading music, rhythm, melody, and harmony. Participants will learn how to play simple pieces on their chosen instrument, whether it's the guitar, piano, or another accessible instrument. The course includes practical exercises, group practice sessions, and opportunities for individual instruction. Students will also explore the basics of music theory and composition, allowing them to create their own simple musical pieces. By the end of the course, participants will have a solid foundation in music-making and the confidence to continue developing their skills. This course is ideal for beginners looking to start their musical journey in a supportive and engaging environment.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
