## **Course overview**

Enhance your creative writing skills with our Creative Writing for Intermediate Learners course. Learn techniques for writing fiction, poetry, and creative non-fiction. Ideal for writers with some experience looking to refine their craft.

## **Course description**

Creative Writing for Intermediate Learners is designed to help writers with some experience improve their creative writing skills. This course covers essential techniques for writing fiction, poetry, and creative non-fiction, including developing characters, crafting compelling plots, and experimenting with different styles and genres. Participants will engage in writing exercises, peer feedback sessions, and discussions on writing techniques and strategies. The course includes lessons on refining voice, editing and revising work, and submitting pieces for publication. By the end of the course, participants will have developed their writing abilities and gained confidence in their creative work. This course is ideal for intermediate writers looking to refine their craft and explore new writing challenges.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
