Course overview

Learn to use digital devices and gain essential computer skills for professional and personal use. Digital training helps you move with the times and not get left behind. This beginner's course is for anyone who wants to learn digital skills, no matter your current knowledge. This course is appropriate for complete beginners, so don't worry if this is all new to you. Learn to use word processing software and fill out online forms in this Digital Skills course. Understand how to use email and search for information online. This digital skills training also teaches you how to shop online securely. You'll understand online safety and data storage

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
