Course overview

Build on your digital literacy skills with our Digital Skills for Everyday Living: Intermediate course. Learn more advanced techniques for using computers, navigating the internet, and understanding essential software applications. Ideal for individuals with basic digital skills looking to enhance their proficiency.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
