## **Course overview**

Begin your English language journey with Pre-Entry ESOL: Introduction to Studying ESOL. This course is ideal for complete beginners who want to build foundational English skills in a supportive environment.

## **Course description**

Pre-Entry ESOL: Introduction to Studying ESOL is designed for individuals who are new to studying English. This introductory course focuses on developing basic skills in listening, speaking, reading, and writing, helping learners to start using English in simple, everyday situations. Participants will gain confidence in understanding basic instructions, greetings, and simple conversations. The course also introduces learners to the structure of the English language, preparing them for more in-depth ESOL study. Lessons are taught in a friendly, supportive environment, allowing learners to build confidence and establish a foundation for future learning. By the end of the course, participants will have the skills and knowledge needed to move on to more advanced ESOL courses.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
