Course overview

Take your first steps into learning English with this beginner-level ESOL course. Ideal for non-native English speakers who are new to the language, this course offers a friendly introduction to essential English skills for daily life and communication.

Course description

First Steps in ESOL 1 is tailored for learners who are just starting their journey in learning English. This course focuses on basic language skills that are needed for everyday life, including speaking, listening, reading, and writing. Participants will engage in practical exercises that help them become more comfortable with using English in everyday situations, such as shopping, using public transport, and socialising. The course is structured to build learners' confidence in a supportive and welcoming environment, with a focus on improving communication skills. By the end of the course, participants will have developed a foundation in English that will help them navigate daily life more independently and prepare them for more advanced language courses.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
