Course overview

Continue your journey in learning English with First Steps in ESOL 2. This course builds on foundational language skills, ideal for learners progressing from beginner to pre-intermediate level.

Course description

First Steps in ESOL 2 is designed for learners who have started their English language journey and are ready to progress to the next level. This course focuses on enhancing speaking, listening, reading, and writing skills in English, with an emphasis on practical communication for everyday life. Participants will continue to develop their confidence in using English in various situations, such as engaging in conversations, making appointments, and understanding written instructions. The course provides a supportive environment for learners to practise their skills through interactive activities, group work, and real-life scenarios. By the end of the course, participants will have a stronger command of English and will be better prepared for further language development. This course is ideal for learners who have completed the first steps in ESOL and are looking to build on their foundational skills.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
