## **Course overview**

This course focuses on improving English language skills while teaching essential financial literacy, including budgeting and managing money. Ideal for ESOL learners who want to develop practical financial skills alongside their English.

## **Course description**

Level 1 ESOL: ESOL Finance and Budgeting is designed to help learners improve their English language skills while also gaining a better understanding of personal finance and budgeting. Participants will engage in practical exercises that focus on budgeting, managing expenses, and understanding financial documents such as bills and bank statements. The course aims to equip learners with the language skills needed to navigate financial situations in everyday life, from handling household budgets to managing personal finances. The lessons are delivered in a supportive environment, ensuring that learners feel comfortable practising their language skills while gaining valuable knowledge about finance. By the end of the course, participants will have a clearer understanding of how to manage their money and the confidence to discuss financial matters in English.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
