Beginners

Course overview

Gain essential knowledge on safeguarding practices and the Prevent strategy with this course. Ideal for those working with vulnerable groups or in educational settings.

Course description

Safeguarding and Prevent is designed to equip participants with a thorough understanding of safeguarding responsibilities and the UK government's Prevent strategy. The course covers key areas such as recognising signs of abuse, understanding safeguarding procedures, and implementing best practices for protecting vulnerable individuals. Participants will also learn about the Prevent strategy, which focuses on identifying and preventing radicalisation. Through case studies, discussions, and practical exercises, participants will develop the skills needed to handle safeguarding concerns in their professional roles. By the end of the course, participants will have a solid understanding of how to uphold safeguarding standards and contribute to the safety and well-being of those they support. This course is ideal for professionals in education, healthcare, social care, and community services.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
