Course overview

Explore the connection between culture and decoration in this creative course, designed to help participants express personal outcomes through art. Ideal for those with an interest in creative exploration and cultural influences.

Course description

Art Practical: Culture and Decoration - Personal Outcomes focuses on exploring the intersection of cultural influences and decorative arts. Participants will engage in hands-on projects that allow them to express their personal responses to different cultural themes through the medium of art. The course covers various techniques in decoration, from painting and drawing to mixed media and textile work, encouraging creative experimentation. Participants will have the opportunity to create decorative art pieces that reflect their unique cultural perspectives and artistic goals. By the end of the course, learners will have developed their artistic skills and gained a deeper understanding of how culture can inspire creative expression. This course is ideal for anyone looking to explore art as a means of personal and cultural expression.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
