Course overview

Prepare for your driving theory test with our comprehensive Driving Theory Test Preparation Part 1 course. Gain the knowledge and confidence needed to pass your test and get one step closer to your driving licence.

Course description

Driving Theory Test Preparation Part 1 is designed to help individuals prepare for the first part of their driving theory test in the UK. The course covers essential topics such as road signs, traffic laws, and hazard perception, providing participants with the knowledge needed to pass the theory test. Through interactive lessons, quizzes, and practice tests, participants will become familiar with the format of the theory test and learn strategies for answering multiple-choice questions effectively. By the end of the course, participants will feel more confident and ready to take on the official test. This course is ideal for anyone preparing for their driving theory test.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
