Course overview

"Personal Care: An Introduction to Acrylic Nails" is a comprehensive beginner's course designed for individuals interested in the art and science of acrylic nail application and maintenance. This course offers an in-depth exploration of the fundamental techniques, tools, and products used in the creation of acrylic nails. Students will gain practical skills through hands-on practice and theoretical knowledge, enabling them to confidently apply, maintain, and remove acrylic nails. The course takes place in a friendly and encouraging environment, supported by a specialist tutor and the team at WEA.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
