Course overview

Learn how to transform old clothes and textiles into stylish, new items with our Textiles and Fashion: Upcycling course. Ideal for those interested in sustainable fashion and creative design.

Course description

Textiles and Fashion: Upcycling is a hands-on course designed to teach participants the skills needed to repurpose old garments and fabrics into new, fashionable pieces. The course covers various upcycling techniques, including altering garments, adding embellishments, and creating accessories from scrap materials. Participants will explore how to give a second life to their clothes and learn more about the environmental benefits of sustainable fashion. By the end of the course, participants will have created unique, upcycled items and gained the confidence to continue their upcycling projects at home. This course is ideal for those who are passionate about sustainability, fashion, and creativity.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
