Course overview

Enhance your English skills while learning how to support your child's maths education with our Level 1 ESOL: ESOL - Help Your Child with Maths course. Focus on practical communication and numeracy. Ideal for non-native speakers looking to improve their English proficiency and help their child succeed in maths.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
