Course overview

Would you like to start learning how to speak in Ukrainian? Would you like to communicate with your friends or colleagues who speak the language? Then this is the course for you. This is the basic course which runs for 8 weeks so you can learn the basics of the language. You do not have to do any assessments to join the course as this is for beginners. You will be taught by a qualified tutor who was born in Ukraine and has lived in the UK teaching English for a number of years.

Course description

This is an online course which will run for 8 weeks. It is for learners who want to start learning Ukrainian in a friendly and unjudgmental environment.

The course is for 2 hours per week and the course will last for 8 weeks.

During this course you will be able to start learning about things such as; the Ukrainian alphabet, how to introduce yourself in Ukrainian, basic vocabulary such as the days of the weeks and months of the year, sharing information about yourself and much more. The course will give you the opportunity to practise what you learn with your classmates during lessons under the supervision of a qualified and experienced tutor.

The course will give you the opportunity to start to learn the basics of the language and work on the main four language skills; speaking, listening, reading and writing.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
