Course overview

This ESOL class focuses on developing everyday English communication skills for non-native speakers. Students will practice speaking, listening, reading and writing through interactive activities and real-life scenarios. This includes topics such as, shopping, transport, dining out and public places.

Course description

The aim of this course is to increase learner confidence and independence in their everyday life. The course will help you to develop basic communication skills. You will expand your English skills by learning new vocabulary, improve your pronunciation, recognise simple words, ask everyday questions and answer them using correct grammatical structure. You will work with other learners at a similar level. The classes will be relaxed, informal and friendly. This course will help you communicate basic ideas on a range of everyday topics with the focus on speaking and listening skills.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
