Beginners

Course overview

This course is designed to help new drivers prepare for the driving theory test, a crucial step toward obtaining a driver's license. The course covers all essential topics included in the driving theory test, such as road signs, traffic laws, safe driving practices, and hazard perception. Through interactive lessons, practice tests, and detailed explanations, participants will gain a solid understanding of the rules of the road and develop the knowledge and confidence needed to pass the theory test.

Course description

This course is designed to help new drivers prepare for the driving theory test, a crucial step toward obtaining a driver's license. Learners will be able to understand all key components of the driving theory test which will include multiple choice questions and hazard perceptions and all other essential topics included in the driving theory test, such as road signs, traffic laws, safe driving practices. Through interactive lessons, practice tests, and detailed explanations, participants will gain a solid understanding of the rules of the road, traffic laws and regulations. and be able to recognise and interpret road signs, signals and road markings. Learners will also be able to develop safer driving practices and awareness of potential hazards whilst driving, and improve hazard perception through guided practice and interactive scenarios. Learners will develop the knowledge and confidence needed to pass the theory test.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
